12 Noon to 1 PM (Buffet available at 11:30 AM)

Mayor Capello will highlight key issues and challenges addressed in 2018 as a prelude to outlining the goals and objectives for the City of Lebanon in 2019.

Amid the challenges of last year, the Mayor and her team consistently stressed a positive attitude and improved brand image of the City. This will continue in 2019 and beyond. At the luncheon, the Mayor will provide an update on the Grow Lebanon 2020 Economic Development Strategic Plan; details of individual department accomplishments; and much more.

This Annual Luncheon for CLA members and guests is your opportunity to hear directly from Mayor Capello about the opportunities and challenges facing our City of Lebanon. Time will be allowed at the end for Q&A.

The State of the City Luncheon is consistently the most popular of CLA luncheons. Sign up early. It's also a great way to show off your Lebanon and CLA pride by bringing a guest.
